NOTES

1. MATH 113 or HNRS 125 fulfills the quantitative reasoning requirement for the Honors College. Math 113 requires a placement exam. See the Math Department for exam days and times.
2. The lab science requirement for the Honors Program is fulfilled in this major by completing BIOL 124/125 and BIOL 246.
3. SOCW 110 is a recommended elective.
4. Global and Community Health Internship (GCH 498) students may substitute two 3-credit GCH courses for the internships, depending on the students work experience, with their advisor's approval.
